3 Things I Absolutely Should Know Today

IndiaAI Fellowship under the IndiaAI Mission

What happened: The first tranche of the IndiaAI Fellowship was disbursed to 130 B.Tech and 40 M.Tech students, with remaining applications still under review.

Why you should care: As a Diploma IT student, securing this fellowship can provide funding, mentorship, and industry exposure for AI-focused projects, enhancing your resume and practical skills.

Impact: Medium

GLOBAL STARTUPS CLUB - Startup Networking Ahmedabad

What happened: A monthly networking event for startups and entrepreneurs will be held at DevX, Sindhu Bhavan Marg, Ahmedabad.

Why you should care: Attending provides a chance to connect with local tech founders, learn about emerging business models, and discover internship or project collaboration opportunities relevant to a Diploma IT student.

Impact: Medium
